IT'S AN EXPERIENCE THAT'S  
**OUT OF THIS WORLD**

[meridiancc.edu/college4kids](https://meridiancc.edu/college4kids)

Meridian Community College does not discriminate on the basis of race, color, national origin, sex, disability, religion, or age in admission or access to, or treatment or employment in its programs and activities. Compliance with Section 504 is coordinated by The Office of Student Affairs, 910 Highway 19 North, Meridian, MS 39307. Email: 504Compliance@meridiancc.edu. Compliance with Title IX is coordinated by Mr. Derek Mosley, Social Science Instructor, 910 Highway 19 North, Meridian, MS 39307. Email: Derek.Mosley@meridiancc.edu.

# CFK - OUT OF THIS WORLD!

## ALL ABOUT ANIMALS

Experience the fun of creatures big and small while learning how to care for and respect animals and their needs. Make friends with tortoises, kittens, bunnies, ponies, and snakes! And if you'd like, you can even milk a goat!

## ART MADE EASELY

Use your imagination and a variety of materials to create unique works of art. Come with enthusiasm; you'll leave as an artist! Through painting, sculpting, exploring textures, and making collages, you'll learn about color, design, and other art elements using fun (and sometimes messy!) creative processes.

## BASKETBALL

Dive into the excitement of our lively basketball class! Led by enthusiastic instructors, this dynamic session blends skill-building with friendly play in a fun and inclusive environment for all skill levels.

**8:30 class - Ages 6-9**

**10:30 class - Ages 10 & up**

## BUBBLE SPORTS 2.0

Get a one-of-a-kind, high-energy experience where you suit up in giant inflatable bubbles! Bounce, roll, and crash into fun during this action-packed class, which guarantees non-stop laughter and excitement. Get ready to bump, flip, compete, and have a blast!

**Ages 9 & up.**

## CAKE DECORATING

Join us for a deliciously delightful adventure where creativity meets frosting. Turn ordinary cakes into edible works of art. It's a sweet blend of fun and frosting!

## CAMP CREATE

Create many different crafts and enjoy many different art forms. Some examples are self portraits, painting, picture frames and more.

## CARTOONING & COMIC CREATIONS - NEW!

If you can dream it, you can draw it! Learn how to create characters, design comic panels, and tell amazing stories through art. Perfect for young illustrators and future animators.

## CHEER, DANCE & TUMBLE - NEW!

Are you ready? This high-energy class will cover beginner cheer moves, fun dance routines, and basic tumbling skills! If you love to jump, clap, flip, and shine, this is the class for you!

## CHES - NEW!

Checkmate! Discover how each chess piece moves, play fun mini-games, and try clever strategies in this class that builds problem-solving and thinking ahead skills. This class is the right move if you're curious and love games, challenges, and a little friendly competition!

## COOKING FOR FUN

Step into the kitchen and whip up delicious recipes in this fun and hands-on cooking class that's better than ever!

## CRACK THE CODE

Can you solve the clues and crack the code? Work in teams to solve a new mystery each day using reading comprehension, problem-solving, and critical-thinking skills. Every challenge brings you closer to the answer!

## FASHION DESIGNERS 101 - NEW!

Calling all trendsetters! Sketch outfits, design patterns, and create mini runway-ready looks in this new class offering. From fabrics to flair, turn your creativity into fashion fun.

## FAST & CURIOUS

Build and customize your own car, then put it to the test! Race against teammates to see whose car is the fastest, the toughest, and the coolest. Will your creation take the top spot?

## GALAXY OF ACCEPTANCE

Blast off into an inclusive space adventure where everyone shines! Explore feelings, friendships, and teamwork through cosmic crafts, sensory-friendly activities, and SEL-focused space missions. It's a welcoming place to build confidence, connect with others, and discover just how out-of-this-world amazing you are.

## GAMING & APPS

Don't just play games - create your own. Explore game design and coding apps while learning how games are built.

**Ages 8 & up.**

## HAIR, NAILS, AND MORE

Learn about hair care, basic manicures and pedicures, and skincare routines using age-appropriate products and skills.

## JR. FIREFIGHTER ACADEMY (First week only)

What are the duties and responsibilities of a firefighter? Find out in this session that's sponsored by the Meridian Fire Department.

## JR. POLICE ACADEMY

Discover what it takes to be a police officer! Learn about duties and responsibilities in this class sponsored by the Lauderdale County Sheriff's Department.

## KIDS CAN COOK!

Mix it up by learning the basics of cooking, such as measuring and kitchen tools, while making delicious, bake-free treats in this class that's the perfect blend of fun and creativity.

## LEGO® MANIA

Want to build a skyscraper or an entire village? Aspiring engineers and builders will love creating with LEGOs® and their imagination in this hands-on class.

## LITTLE GARDENERS - NEW!

Dig into gardening basics as you plant seeds, explore soil and bugs, and learn how things grow. Care for your own mini garden in this hands-on class that's perfect for curious nature lovers.

## LINE DANCE PARTY - NEW!

Get ready to step, slide, and spin! Get into the exciting, kid-friendly line dances that are set to upbeat music. No experience needed, just bring your energy and move!

## MAKEUP MAGIC - NEW!

A playful introduction to beauty for little artists! Learn about colors, glitter, face gems, and creative expression using safe, kid-friendly products to create fun looks. It's all about imagination, confidence, and sparkle!

## MESSY MASTERPIECES

Dive into a world of color, creativity, and a little bit of mess! Explore fun and unique drawing and painting techniques. No perfection required; just a love for creativity and a willingness to get a little messy!

## MUSIC MANIA - PERCUSSIONS & STRINGS

Explore the world of music in this hands-on class using real instruments. Bang on drums or strum a ukulele while learning about music and sparking your creative side in this class that's sponsored by the Meridian Symphony Orchestra.

**Percussions 8:30 am class**

**Strings 10:30 am class**

## OH GROSS! SLIME TIME!

It oozes - but doesn't stick. Explore the chemical reactions while creating slime and other wacky science projects. Discover the weird side of science with different hands-on projects each day. And you'll be able to bring some of it home!

## PICKLEBALL

Tailored for younger enthusiasts, this fun-filled class combines skill-building, teamwork, and loads of fun on the court, introducing you to the thrill of this fast-paced, dynamic sport

## POTTERY PALS

Mold, sculpt, and create your own masterpieces using clay. From tiny animals to funky shapes, there's no limit to what you'll make!

## POLISHED & PIZZAZZ

Design and create your own jewelry using colorful beads, charms, and more. From friendship bracelets to funky necklaces, every piece will be a one-of-a-kind masterpiece.

## SCIENCE FRENZY

Meet me in the lab! Create crazy concoctions from gruesome goo, to monster bubbles, to an active volcano, while learning scientific methods through hands-on experiments, demonstrations, and group activities.

## SPA-LA-LA

Make and package bath and body products using all-natural recipes. From scratch, you'll create body scrubs, bath balls, lip gloss, lotion, and hand salve. Enjoy the spa experience!

## SPORTS JAMBOREE

Be a sport! During this fun and ever-changing week, you'll learn the basics of a new sport every day and, most of all, have fun! Develop self-esteem and a healthy attitude about team building and sportsmanship. Slip and slide on an inflatable water slide on the final day of camp!

## TENNIS

Learn and practice basic grips, forehand and backhand strokes, and how to serve and volley. Bring your own racket and wear tennis shoes.

## WACKY SPORTS - SPLISH SPLASH

Be a part of fun physical activities that teach individual and team-building skills. Not your regular sports - these are all Wacky Sports! The last day of the week is Water Day, where you'll splash on the inflatable water slide!

## ZOOM: ROCKET SCIENCE

Build your very own rocket. Learn scientific facts about rockets and how they work. You will launch your rocket, and family and friends will be invited to the blast-off day!

**\$75** each class
